

Beautification Brainstorming Session  
Millersville at Fall Creek Valley Annual Meeting  
3/31/2025

Gateway median refresh and maintenance

1. Do a complete update and refresh of both Millersville medians, including pruning, plant removal, planting, mulch, stone, etc. Contract out all the work. Identify a grant to support the project
2. Get more community help and donation to support median maintenance.

Beautification of village businesses

1. Reward and recognize property owners/businesses who add landscaping and beautify their property.

Honeysuckle and unsightly plant removal and maintenance along the creek and in the village

1. Conduct more community work days to remove honeysuckle along the creek.
2. Replace honeysuckle with native plants
3. Remove weeds and trees growing up through the 56<sup>th</sup> St bridge and drainage grates and in the village

Greenway maintenance

1. Request approval from DPW to allow residents along the Parkway to assist in weed whipping, mowing, limb removal, etc on the Greenway.

Millersville Preserve pier

1. Do a feasibility study on adding a pier to the Millersville Preserve pond.
