

# Lower Fall Creek 319 Cost Share Program

## Homeowner Rain Garden Grants Now Available!

Marion County SWCD is providing grants of up to \$2,000 for residential rain garden projects within the area highlighted in yellow. The eligibility criteria including application and projects requirements is available on the SWCD website at the link below (please scroll down to the section entitled Lower Fall Creek Watershed Management Plan Update and 319 Grant)

<https://marionswcd.org/water-sheds/>

View the watershed map to determine If you are in the yellow critical area for the grant:
